LIBRARIAN : No current report at this time.

CURATOR : No current report at this time.

NEW BUSINESS :

COIN SHOW FOR 1997 : This years coin show date has been moved up one week to try to prevent our show from conflicting with to many other area shows. The new date for the show is October 18 th and 19th 1997. It has been a concern of the show committee that having our show during the last weekend of October was bringing down show attendance and dealer contracts. It was noted that last years show conflicted with a popular show in Pittsburgh which was also held the same weekend. Many dealers who would have signed on to do our show canceled because of commitments in Pittsburgh.

NEW MEMBERS : Bring a friend night . The meeting of February 25th has been designated as Bring a Friend night. Members who plan to attend this meeting are asked to bring a friend along who is interested in

Numismatics. The speaker will be John Zabel with a topic to be announced.

Refreshments will be served. If anyone knows of someone who is interested in the club but would like to see what our meetings are like, this is the night to invite them. Also our membership chairman Timothy Corio will be on hand to help those who want to fill out applications for membership.

OLD CLUB STARTS ANEW : The Buffalo numismatic association is trying to be active again. They have started holding quarterly meetings with educational programs. And as of this newsletter they have just sent their first newsletter in 50 years. We wish them all the luck and good fortune.
