The RNA meetings are held in the basement of the Eisenhart Auditorium, 657 East Avenue, Rochester New York, on the second and fourth Tuesdays of each month September through June. Membership dues are \$15.00 per year.

## **OFFICERS REPORTS :**

**CURATOR :** The RNA table at the Rochester museum and science center went very well. There were a lot of visitors and plenty of young boy and girl scouts. The club had a vast selection of our collection on display and volunteers passed out literature and free coins and paper money to the children. Thank you to all the members who volunteered their time to make the exhibit a success.

## **NEW BUSINESS :**

**PRESIDENTS BANQUET :** The annual presidents banquet this year honoring past President Doug Musinger will be held at the Green Lantern Inn in Fairport on Friday May 8th at 7:00 p.m. A motion was put on the floor by President Ira Stein concerning the menu for the Banquet, that the price for the dinner should be raised \$1.00 so that the members would be able to have prime rib instead of steamship round for the main course. The difference in cost is the amount of extra cost for the better cut of meat. No decision had been made as final costs for tickets had yet to be worked out.

**MEDAL COMMITTEE :** Bill Coe is currently taking orders for extra bronze and silver Presidential medals. Anyone interested in ordering please contact Bill at : 865-7992. Also the final cost for medals has not yet been determined but because of the increased cost of silver the silver presidential medals will be higher in price than last year. Latest estimates are that the cost will run about \$1.00 more than last year.

**DANSVILLE COIN SHOW :** For those of you wanting to partake in a coin show then the Dansville coin - a - rama may have just what you need. The show is scheduled for April 26th 1998 and will be held at the Hyde Elementary school in Dansville New York.

## **OLD BUSINESS :**

**COIN SHOW :** It has been reported that the Ontario Coin Club had lost their venue and was forced to cancel their annual show. A suggestion was made that show contracts should be sent to those dealers so that they might consider coming to our show. Bill Coe was going to look into the matter and send contracts to those dealers who have not already committed themselves to our show.

## **GOOD AND WELFARE :**

**MEMBER AILING :** It has been brought to the secretaries attention that member Andy Hale was recently hospitalized and underwent recent surgery. Ursula Loose has stated that Andy is doing well and we all hope for a speedy recovery. Also Member James Malisham has also taken ill with serious illness. At the last meeting it was reported that James was doing better and should be attending meetings soon. We all wish James a speedy recovery and hope to see him at future meetings.
